

IUSS

Scuola Universitaria Superiore Pavia

University School for Advanced Studies

The University School for Advanced Studies IUSS Pavia is an Italian Public Institution devoted to research and higher education. Since 1997, IUSS fulfills an advanced teaching and research model in the field of different important disciplines.

The mission of IUSS is to contribute to the academic growth of a selected number of students by offering them, at any step of their higher education, qualified programs that enhance every technical skills and knowledge. IUSS offers a variety of educational and training paths based on a strong interdisciplinary approach.

An important recent development for IUSS has been the signing in 2018 of a federative agreement with the Scuola Normale Superiore and the Scuola Superiore Sant'Anna of Pisa. This agreement is aimed at integrating the research and educational activities as well as the associated resources among the three institutions.

The University School for Advanced Studies IUSS Pavia offers several graduate Programs:

Master Degree (MSc) programs

jointly organized with University of Pavia

- ▶ *Civil Engineering for Mitigation of Risk from Natural Hazards*
- ▶ *Psychology, Neuroscience and Human Sciences*

PhD programs

- ▶ *Understanding and Managing Extremes*
- ▶ *Biomolecular Sciences and Biotechnologies*
- ▶ *Cognitive Neurosciences and Philosophy of the Mind*

IUSS

Scuola Universitaria Superiore Pavia
