

Università degli Studi di Firenze  
Facoltà di Economia  
Scuola di Dottorato in ECONOMIA

The PhD in Economics coordinator Prof. Donato Romano (University of Florence) welcomes you to participate in the

## Spring School on ECONOMETRIC ANALYSIS March 2011 (21<sup>st</sup>-25<sup>th</sup>)

Coordinators *Mario Biggeri, Giampiero M. Gallo and Carla Rampichini*

The Spring School is organized by the PhD in Economics at the University of Florence in collaboration with HDCP-IRC - Human Development, Capability and Poverty International Research Centre at IUSS - Institute for Advanced Study - Pavia, Marie Curie Project EduWEL and with the organizational contribution of PIN S.c.r.l. Servizi Didattici e Scientifici per l'Università di Firenze. The School is a unique opportunity to learn econometric analysis and the use of STATA. The school is held by professors of statistics and econometrics of the University of Florence and by experts on the use of STATA. It is aimed at those postgraduate students who want to deepen their knowledge of econometrics and STATA software with an eye to empirical applications.
