Workshop “Origins and Varieties of Logicism”

**Program**

10.00-11.15  
**Marco Panza** (CNRS, IHPST Paris 1)  
*What makes Frege’s and Dedekind’s logicisms deeply different?*

11.15-12.30  
**Erich Reck** (University of California, Riverside)  
*Dedekind’s logicism reconsidered*

11.15-12.30  
**Paola Cantù** (Université Aix-Marseille / CNRS; CEPERC UMR 7304)  
*Peano and his school between logicism and algebrism*

12.30-13.30 Lunch break

13.30-14.45  
**Paola Cantù** (Université Aix-Marseille / CNRS; CEPERC UMR 7304)  
*Peano and his school between logicism and algebrism*

14.45-16.00  
**Gregory Landini** (University of Iowa)  
*The Logic of Russell’s Logicism*

16.00-16.30 Coffee break

16.30-17.45  
**Georg Schiemer** (University of Vienna)  
*Carnap on Logicism and Structuralism*

17.45-18.30  
*Open discussion and closing comments*  
The discussion will be opened by: **Eva Picardi** (University of Bologna)

**Invited discussants**  
Massimilano Carrara (University of Padua)  
Ciro De Florio (Catholic University, Milan)  
Miriam Franchella (University of Milan)  
Alessandro Giordani (Catholic University of Milan)  
Daniele Molinini (University of Roma Tre)  
Francesco Orilia (University of Macerata)  
Claudio Ternullo (University of Vienna, Kurt Gödel Research Center for Mathematical Logic)

**Organized by:**  
Francesca Boccuni (San Raffaele University, Milan)  
Andrea Sereni (IUSS Pavia)
