

# IUSS

Scuola Universitaria Superiore Pavia

## **IUSS “WORK IN PROGRESS WEBINARS”**

The Work in Progress Webinars series has the goal of providing an opportunity for graduate students and postdoc at IUSS to discuss informally the material they are working on and receive feedback from peers. Each meeting will feature a presentation by students at different stages of their research, followed by a Q&A session. The event has been entirely organized by Doctoral Students at IUSS.

- **December 6<sup>th</sup> 2021, 14.30-16.00 – Marco Facchin**  
“No Spread to Enjoy: Consciousness is still in the brain or very very close to it”
- **December 20<sup>th</sup> 2021, 14.30-16.00 – Davide Mocci** “When the eyes see multiple things, but the mind only sees one: “Caterina è ampia di vedute” vs. “Caterina è una perla di ragazza” (working title)
- **January 20<sup>th</sup> 2022, 14.30-16.00 – Bruno Cortesi**  
“Experience is knowledge, but what is it knowledge of?” (working title)
- **January 28<sup>th</sup> 2022, 14.30-16.00 – Arianna Beghetto** “What Mary should have known” (working title)
- **February 17<sup>th</sup> 2022, 14.30-16.00 – Giacomo Zanotti**  
“Consciousness, neuroscience, and explanatory magic (working title)”
- **February 24<sup>th</sup> 2022, 14.30-16.00 – Matteo Baggio** “Logic, understanding and knowledge (working title)”

Further details about topics and speakers will be posted on IUSS website ([www.iusspavia.it/nidi-e-wip](http://www.iusspavia.it/nidi-e-wip)).  
The participation is open.
