Claire Field (University of Stirling)

Risks, Rationality and Recklessness

Wednesday, January 11, 2023, 14.00-16.00 CET

Giacomo Melis (University of Stirling)

Brute Errors and Warranting Roles (of Experience)

Wednesday, January 18, 2023, 14.00-16.00 CET

Baharam Assadian (Turin University)

The Free Logic of Abstraction

Wednesday, January 25, 2023, 14.00-16.00 CET

Matteo Zicchetti (University of Warsaw)

Soundness arguments for consistency and transmission failure

Wednesday, February 8, 2023, 11.30-13.30 CET

Cristina Amoretti (University of Genoa)

Cognitive biases and heuristics in medical decisions

Wednesday, February 21, 14.00-16.00 CET

Miriam Bowen (University of St. Andrews)

Comparative Beliefs and Imprecise Credences

Tuesday, February 28, 2023, 14.00-16.00 CET

Valeria Giardino (Institut Jean Nicod, CNRS, Paris)

The fiction view of mathematical cognitive tools

Wednesday, March 8, 14.00-16.00 CET

Silvia De Bianchi (University of Milan)

Plausibility and analogical arguments: the case of emergent gravity

Wednesday, March 15, 14.00-16.00 CET

Brice Halimi (University Paris Cité)

Philosophy of language and philosophy of mathematics: context-sensitivity and descent theory

Wednesday, March 22, 14.00-16.00 CET

Elia Zardini (Complutense University Madrid)

Unstable Knowledge

Wednesday, March 29, 11.00-11.30 CEST

Marco Panza (Chapman / CNRS IHPST)

Epistemic Economy in Mathematics

Thursday, April 6, 15.00-17.00 CEST

Venue: IUSS, Palazzo del Broletto, Piazza della Vittoria, 15, Pavia

Online venue: <https://iusspavia.zoom.us/j/99529506550>

Convenors: Silvia De Toffoli, Andrea Sereni, Luca Zanetti

Info: silvia.detoffoli@iusspavia.it; luca.zanetti@iusspavia.it
