IUSS “WORK IN PROGRESS WEBINARS”

The Work in Progress Webinars series has the goal of providing an opportunity for graduate students and postdoc at IUSS to discuss informally the material they are working on and receive feedback from peers. Each meeting will feature a presentation by students at different stages of their research, followed by a Q&A session. The event has been entirely organized by Doctoral Students at IUSS.

- **December 20th 2022, 10-12 – Marco Facchin “The Mark of the Mental: an alternative approach”**
