

# CURRICULUM VITAE

GIULIA MATTAVELLI

Associate Professor in Psychobiology and Physiological Psychology at the School of Advanced Studies, IUSS Pavia

Scopus H-index: 19 Scopus total citations: 1088

National Scientific Qualification as associate professor, sector 11/E1 from 10/04/2017 to 10/04/2026.

Member of the IUSS-Maugeri Cognitive Neuroscience laboratory (<http://www.iusspavia.it/laboratorio-di-neuroscienze-cognitive>).

Member of the IUSS Cognitive Neuroscience (ICoN) research center (<http://www.iusspavia.it/iuss-cognitive-neuroscience-center-icon>).

---

## POSITIONS AND HONOURS

### *Previous positions*

- 2019 – 2022 Senior researcher in Psychobiology and Physiological Psychology at the School of Advanced Studies, IUSS Pavia
- 2014 – 2019 Post-Doctoral Research Fellow - Department of Psychology, University of Milano-Bicocca, Italy
- 2013 – 2014 Project contract for experimental studies with combined TMS-EEG technique with acute and chronic stroke patients. European Foundation for Biomedical Research – FERB, Cernusco SN, Milan, Italy.
- 2013 Collaboration for research activities with Prof. Dr. Hans H. Stassen for the project “The normative study: speech in healthy people and those at risk of depression”, Institute for Response-Genetics University of Zurich, Swiss.

### *Fellowship and Awards*

- 2022 “Bando ricerca finalizzata” 2021 young researcher section of Italian Health Ministry. Head of Unit School of Advanced Studies, IUSS Pavia for the Project: “Improving motor, cognitive and social functions in patients with Parkinson's Disease: a novel approach combining electrophysiological recordings and non-invasive brain stimulation in interactive scenarios”. PI: Dr. Vanessa Era, Fondazione Santa Lucia of Rome (GR-2021-12372923, total budget 450000 Euros, unit budget 67500).
- 2022 “Bando PRIN 2022” of the Italian University Ministry Head of Unit School of Advanced Studies, IUSS Pavia for the Project “Sensing the inner bodily states: understanding the role of interoception in obesity” in collaboration with University of Trento, University of Torino, University of Bologna.
- 2021 “Bando ricerca finalizzata” 2021 young researcher section of Italian Health Ministry. Head of Unit School of Advanced Studies, IUSS Pavia for the Project: “Improving motor, cognitive and social functions in patients with Parkinson's Disease: a novel approach combining electrophysiological recordings and non-invasive brain

stimulation in interactive scenarios”. PI: Dr. Vanessa Era, Fondazione Santa Lucia Roma (GR-2021-12372923, total budget 450000 Euros, unit budget 67500).

- 2017 “Bando ricerca finalizzata” 2016 young researcher section of Italian Health Ministry. Head of Unit School of Advanced Studies, IUSS Pavia for the Project: “The impact of cognitive remediation on social functioning and neural plasticity in early psychosis: a randomized clinical trial”. PI: Dr. Cinzia Perlini, Integrated Hospital Company of Verona (GR-2016-02361283, total budget 900000 Euros, unit budget 90000).
- 2017 Second Prize Young Talented Researchers of the University Milano-Bicocca funded by the Lincei Academy, Italy.
- 2017 Travel Grant of the Italian Psychologists Association (AIP), Italy.
- 2016 Funding for supporting ERC call by Fondazione Cariplo e Regione Lombardia, University of Milano-Bicocca, Milan, Italy.
- 2013 Cognitive Neuropsychology Student Travel Prize, Cognitive Neuropsychology Journal.
- 2012 ESCoP Early Career Stimulus. Project: “Cortical excitability and effective connectivity in face processing: a TMS-EEG study”. European Society for Cognitive Psychology.
- 2010 AIP prize for young researcher. Poster presentation “The medial prefrontal cortex in emotion expressions recognition: a TMS study”. AIP conference, Bologna Italy.

#### *Membership of Scientific Society*

- 2017 – present Associate member of AIP “Italian Association Psychologists” - Experimental Psychology Section, Italy.
- 2017 – present Member of NeuroMi, Milan Center for Neuroscience, Italy.
- 2013 – present Ordinary Member of SINP “Italian Society of Neuropsychology”, Italy.

#### *Editorial activities*

Reviewer for international Journal: IScience, Social Cognitive and Affective Neuroscience, Frontiers in Psychology, Brain Research, Brain and Cognition, Journal of Neuropsychology, NeuroImage, Appetite, Brain Topography, Scientific Report, Neuroscience, Biomedical Signal Processing and Control, Behavior Research Methods.

Associate Editor for Frontiers in Psychology – Consciousness Research, Neuropsychology.

#### *Institutional responsibilities*

- 2023 – present Pro-Rector responsible for disability at IUSS.
- 2022 – present Pro-Rector responsible for equal opportunities at IUSS.
- 2019 – present Member of the Joint Student Teacher Committee (Commissione Paritetica Docenti-Studenti) at IUSS-Pavia.
-

## TEACHING

Course for Master's Degree (MSc) IUSS and University of Pavia in Psychology, Neuroscience and Human Sciences: “Neuroscience of eating behaviour” (a.a. 2023/24).

Ordinary course at IUSS: “Corpo, mente e cervello: psicobiologia del comportamento umano” (a.y. 2019/20; 2020/21; 2021/22; 2022/23; 2023/24).

Course for PhD Program in Cognitive Brain Sciences at IUSS: “Applications of neurophysiology” (a.y. 2022/23), “Methods and applications of neurostimulation” (a.a. 2023/24).

Course for PhD Program in Cognitive Neuroscience and Philosophy of Mind at IUSS: “Brain plasticity in experimental and clinical practice” (a.y. 2020/21; 2021/22).

Reading Group for PhD Program in Cognitive Neuroscience and Philosophy of Mind at IUSS: “Cognitive neuroscience: studies on risky and emotional behaviour” (a.y. 2020/21).

Practical Course for Master's Degree (MSc) IUSS and University of Pavia in Psychology, Neuroscience and Human Sciences: “Psychobiology of human eating behaviour: experimental and clinical research” (a.y. 2020/21; 2021/22; 2022/23).

Course for PhD Program in Cognitive Neuroscience and Philosophy of Mind at IUSS: “Cognitive enhancement: from techniques to ethical issues” (a.y. 2019/20).

Course for PhD Program in Cognitive Neuroscience and Philosophy of Mind at IUSS: “Methods in Cognitive neuroscience: fMRI, EEG, TMS, DTI” module on TMS, TMS-EEG and tDCS (a.y. 2019/20); “Methods in cognitive neuroscience: visualizing and stimulating the brain” (a.y. 2020/2021).

### *Other teaching and outreach invited lectures*

Collegio Borromeo Pavia: Disgust. Neuropsychiatry of distaste and rejection. November 2021.

The taste of health. Event organized by the IUSS Third Mission. October 2021.

Seminar “Eating Disorders” for the postgraduate school in Food Science, San Paolo Hospital of Milan. September 2019. October 2021.

---

## EDUCATION

2009 – 2013 PhD in "Experimental Psychology, Linguistics and Cognitive Neuroscience", Department of Psychology at University of Milano-Bicocca. Tutor: Prof. Costanza Papagno.

2012 AIP School on Methodology of Neuroscience and Imaging.

2009 Qualifying examination for profession of Psychologist at University of Pavia.

2008 University degree in CLINICAL PSYCHOLOGY AND NEUROPSYCHOLOGY at University Milano-Bicocca, Faculty of Psychology, education course of “Neuropsychology of adult and elderly people”. Title of thesis : “Decision making and somatic markers modification in frontal lobe patients”. Mark: 110/110 with honours.

2006 University degree in PSYCHOLOGICAL SCIENCES at University Milano-Bicocca, Faculty of Psychology, education course of “Evaluation, support and rehabilitation of adult and elderly people“. Title of thesis: “Evaluation and treatment of executive deficit in frontal lobe patients”. Mark: 110/110.
