

Luca Rinaldi

Date and place of birth:

June 18, 1986 - Como (Italy)

Family:

2 children

Nationality:

Italian

Work address:

Department of Brain and Behavioral Sciences

University of Pavia

Piazza Botta 6 – Sezione di Psicologia

27100 Pavia (Italy)

e-mail: luca.rinaldi@unipv.it

website: <https://sites.google.com/unipv.it/lucarinaldi>

Current Position

April 2022

Associate Professor (permanent position)

Department of Brain and Behavioral Sciences, University of Pavia (Italy).

Prior research positions

December 2019 – March 2022

Assistant Professor (RTDb; tenure track)

Department of Brain and Behavioral Sciences, University of Pavia (Italy).

January 2017 – December 2019 (4-year grant)

Post-doctoral research fellow

Department of Psychology, University of Milano-Bicocca (Italy).

Main theme of research: “Grounding time through sensorimotor integration”.

Supervisor: Prof. Luisa Girelli, Ph.D.

June 2016 – August 2016

Visiting fellow

Centre for Brain and Cognitive Development of the Birkbeck University, London (UK).

Main theme of research: “Sensorimotor involvement in serial order processing over developmental time”.

Supervisor: Prof. Annette Karmiloff-Smith, Ph.D.

January 2016 – April 2016

Post-doctoral research fellow

Department of Brain and Behavioral Sciences, University of Pavia (Italy).

Main theme of research: “The role of the human cerebellum in memory processing”.

Supervisor: Prof. Tomaso Vecchi, Ph.D

Education

January 2012 – January 2016

Ph.D. in *Experimental Psychology, Linguistics and Cognitive Neurosciences* at the University of Milano-Bicocca (Italy).

Thesis entitled: “Sensorimotor experience biases human attention through space and time”.

Supervisor: Prof. Luisa Girelli, Ph.D.

September 2008 – October 2010

Master's degree in *Developmental Psychology and Neuropsychology* at the University of Milano-Bicocca (Italy).

Thesis entitled: "The role of number-space associations in preschoolers' numerical competence".

Supervisor: Prof. Luisa Girelli, Ph.D.

September 2005 – July 2008

Bachelor's degree in *Psychological Sciences* at the University of Milano-Bicocca (Italy).

Research and clinical experience***July 2018 – August 2018***

Visiting research fellow at the Department of Cognitive Science and Artificial Intelligence, Tilburg University, Tilburg (Netherlands).

Supervisor: Prof. Max Louwerse, Ph.D.

January 2013 – September 2013

Visiting research student at the Department of Neurology, University Hospital Zürich, Zürich (Switzerland).

Supervisor: Prof. Peter Brugger, Ph.D.

January 2012 – June 2012

Visiting research student at the Cognitive Neuropsychology Laboratory of the Ben-Gurion University of the Negev, Beer Sheva (Israel).

Supervisor: Prof. Avishai Henik, Ph.D.

February 2011 – July 2011

Visiting research student at the Cognitive Neuropsychology Laboratory of the Ben-Gurion University of the Negev, Beer Sheva (Israel).

Supervisor: Prof. Avishai Henik, Ph.D.

October 2010 – March 2011

Clinical practice at UONPIA (Operative Unite of Child and Adolescent Neuropsychiatry), Sant'Anna Hospital, Olgiate Comasco, Como (Italy).

Supervisor: Grazia Manerchia, M.D.

March 2008 – July 2008

Clinical practice at UONPIA (Operative Unite of Child and Adolescent Neuropsychiatry), Busto Arsizio Hospital, Tradate, Varese (Italy).

Supervisor: Roberta Urbinati, M.D.

Grants***March 2024***

ERC Starting Grant (€ 1.500.000).

Structuring spatial knowledge through domain-general, non-spatial learning mechanisms ("OutOfSpace") European Research Council (European Union).

November 2023

PRIN 2022 (€ 208.770).

The World in Words: Moving beyond a spatiocentric view of the human mind ("WoWo")

Ministero dell'Università e della Ricerca.

Principal Investigator (Co-PI: Marco Marelli)

September 2023

BIAL Grant (€ 59.000).

RE-thinking the role of the spatial memory system in cognitive MAPs (“REMAP”)

BIAL Foundation

Principal Investigator (Co-PI: Marco Marelli)

March 2018

Support fund for ERC Starting Grant by Fondazione Cariplò (€ 1500).

Grant for CV consolidation.

June 2016 – August 2016

Study Visit Grant funded by the Experimental Psychology Society (£ 2.000).

Research project: “A view from the top of the cascade: sensorimotor processing constrains serial order abilities over developmental time”.

Host institution: Birkbeck, University of London. Supervisor: Prof. Annette Karmiloff-Smith.

January 2016 – October 2016

Research Grant funded by the University of Pavia (€ 12.000).

Research project: “The role of the human cerebellum in memory processing”.

Host institution: University of Pavia. Supervisor: Prof. Tomaso Vecchi.

December 2013 – December 2015

Two-years grant (“Fondo Cariplò”) funded by Fondazione Cariplò (€ 4.000).

Research project: “Pitch and grasp the sound! Action planning dances on pitch dimension”.

Host institution: University of Milano-Bicocca. Principal investigator.

January 2012 – January 2016

Four-years Ph.D. scholarship co-funded by Fondazione Cariplò (€ 15.336/year).

Main theme of research: “Sensorimotor experience biases human attention through space and time”.

Supervisor: Prof. Luisa Girelli.

February 2011 – August 2011

Eight-months scholarship (\$ 6.400) from the Ministry of Foreign Affairs (Israel), Cultural and Scientific Affairs Department.

Research project: “The role of reading direction in number-space associations”.

Host institution: Ben-Gurion University of the Negev. Supervisor: Prof. Avishai Henik.

Honours and Awards***September 2017***

Best Italian PhD Thesis (€ 500).

Sezione di Psicologia Sperimentale, AIP (Italian Psychological Association).

September 2017

Travel Grant (€ 250).

Sezione di Psicologia Sperimentale, AIP (Italian Psychological Association), Bari (Italy).

May 2016

Expert Evaluator, France National Research Agency, ANR (Agence Nationale de la Recherche).

May 2016

Article "Walking on a mental time line" selected for the journal cover page of *Cortex*, volume 78.

November 2013

The Patrizia Tabossi Price (€ 300) for the best oral presentation.

Title of the presentation: "Pitch and grasp the sound! Action planning dances on pitch dimension."

The Trieste Symposium on Perception and Cognition, Trieste (Italy).

September 2012

Best oral presentation price (€ 500).

Title of the presentation: "Influenza contestuale dei sistemi di letto-scrittura nei processi di attenzione visuo-spaziale."

Sezione di Psicologia Sperimentale, AIP (Italian Psychological Association), Chieti (Italy).

Institutional Responsibilities

- Delegate for the *Erasmus+ Program*

Bachelor Program in Psychological Sciences. University of Pavia (Italy).

From October 2022.

- Member of *The Committee for Open Science and Open Access*

University of Pavia (Italy).

From September 2022.

- Board of the Doctoral Program in *Cognitive Brain Sciences*

University of Pavia (Italy) & IUSS (Italy).

From August 2022.

Academic Teaching

- *Cognition* (Course; Language: English)

Master's Program in Psychology, Neuroscience and Human Sciences. Department of Brain and Behavioral Sciences. University of Pavia (Italy) & School for Advanced Studies (IUSS).

Academic Year: From 2018.

- *General Psychology* (Course; Language: Italian)

Bachelor Program in Psychological Sciences. University of Pavia (Italy).

Academic Year: From 2021.

- *Programming Psychological Experiments* (Course; Language: English)

Doctorate School in Cognitive Brain Sciences. University of Pavia (Italy) & University School for Advanced Studies (IUSS, Italy).

Academic Year: From 2022.

- *Cognitive Psychology* (Course; Language: Italian)

Bachelor Program in Psychological Sciences. University of Pavia (Italy).

Academic Year: From 2019.

- *Cognition, Multisensoriality and Emotion* (Laboratory; Language: Italian)

Master's Program in Experimental Psychology. Department of Brain and Behavioral Sciences.

University of Pavia (Italy).

Academic Year: 2017-2018; 2018-2019.

- *Cognitive and Behavioral Measures* (Laboratory; Language: English)

Master's Program in Applied Experimental Psychological Sciences, Department of Psychology.

University of Milano-Bicocca (Italy).

Academic Year: 2017-2018; 2018-2019.

- *Methods in Neurosciences: Motion Capture and 3D Kinematic Analyses* (Laboratory; Language: Italian)

Doctorate School in Psychology, Linguistics and Cognitive Neuroscience.

University of Milano-Bicocca (Italy).

Academic Year: 2017-2018 .

Co-supervisor responsibilities

- 50 Master's thesis students

- 18 Bachelor's thesis students.
