**ART. 3** – Ad ogni candidato e candidata, seguendo l'ordine della graduatoria di merito, è proposta mediante comunicazione all'indirizzo di posta elettronica inserito in sede di candidatura, la prima borsa disponibile, per la quale ha ottenuto l'idoneità, secondo l'ordine di preferenza espresso in sede di candidatura.

Il candidato o candidata è tenuto/a ad accettare la borsa proposta rispondendo mediante posta elettronica entro il termine indicato nella predetta comunicazione; se il candidato accetta entro il termine indicato, la borsa è assegnata ed è tolta dal conteggio delle borse disponibili; se il candidato rinuncia o non risponde entro il termine indicato, perde il diritto ad avere la borsa proposta ed una qualsiasi altra borsa. La borsa proposta non viene quindi assegnata e rimane disponibile per i candidati e le candidate successivi nell'ordine di graduatoria. La procedura prosegue fino all'assegnazione di tutte le borse, compreso lo scorrimento sulla base delle idoneità aggiuntive assegnate in sede di colloquio.
