

JOBFAIR 2026 WEBSITE

GUIDELINES FOR STUDENT REGISTRATION

1. <https://jobfair.santannapisa.it> is the website dedicated to JOBFair2026, which includes a public section with all the information on the event, including the list of participating companies. Please browse the list of companies that will be present each day, at the end of this document.
2. The website also offers a back-office section for requesting one-to-one interviews with companies/organizations of interest and creating your agendas. You will receive a notification by email when the company accepts or declines your request.
3. Each agenda will be divided into 20-minute slots. Individual meetings will be scheduled:
 - **October 27:** from 9:30 am to 11:30 pm and from 2:00 pm to 4.00 pm;
 - **October 28:** from 9:00 am to 1:00 pm and from 2:00 pm to 6:00 pm.
4. **You can register on the website from Monday, September 14 to Thursday, October 8 (noon)**, on a "first come, first served" base. We therefore recommend registering as soon as possible to have more options.
5. Once registered, you will be able to view the profiles of the participating companies, while your profile will be accessible only to the recruiters you have requested an interview with. **You will be able to request meetings until Monday, October 12 (noon).**
6. **ATTENTION:** Some companies may have more than one recruiter attending JOBFair: if different recruiters from the same company offer the same opportunities, please request a meeting only with one recruiter.

STEP 1

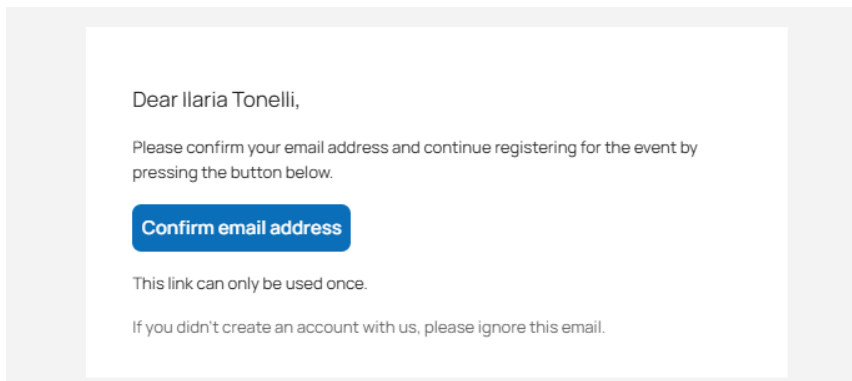

Access the website by visiting www.jobfair.santannapisa.it and clicking on the red box "REGISTER NOW":

The screenshot shows the homepage of the JOBFair 2026 website. The header is dark red with navigation links: Home, Agenda, Info, Accedere, Registrati, and a language selector (IT). Below the header, there's a main banner with the JOBFair 2026 logo and the text "Il job meeting delle scuole di eccellenza italiane". To the right of the banner, it says "27 ottobre 2026 - 28 ottobre 2026" and "56127 Pisa, Italia". Below the banner, there are logos of participating institutions like G.S., IMT, IUSS, and Sant'Anna. A red button labeled "Condividere" is visible. A red box with the text "Select the language (English or Italian)" points to the language selector in the header. Another red box with the text "Click here to register" points to the "Registrati" button in the header.

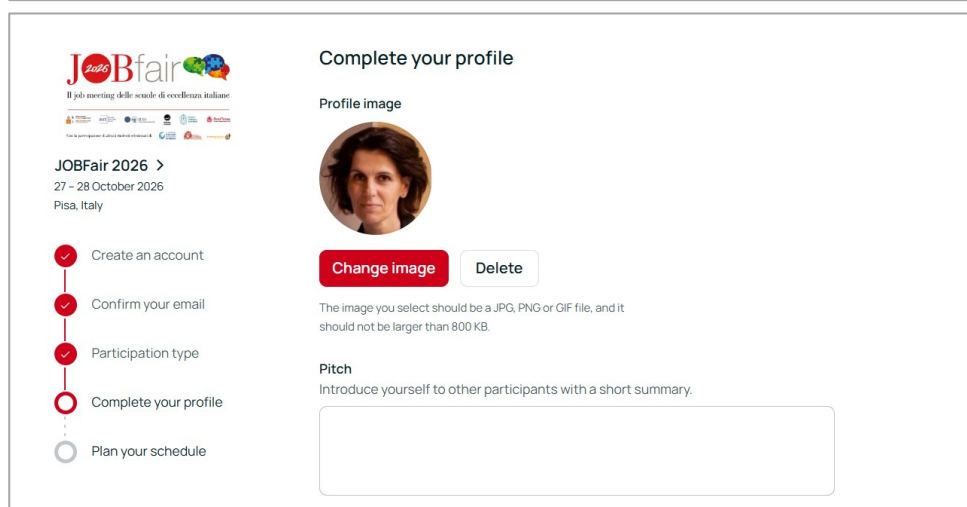

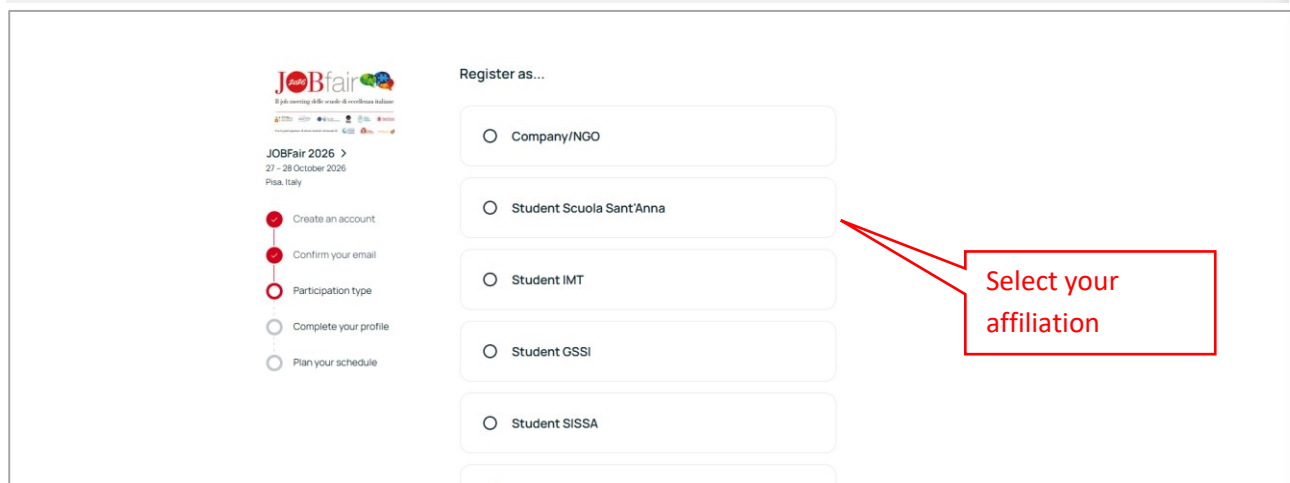

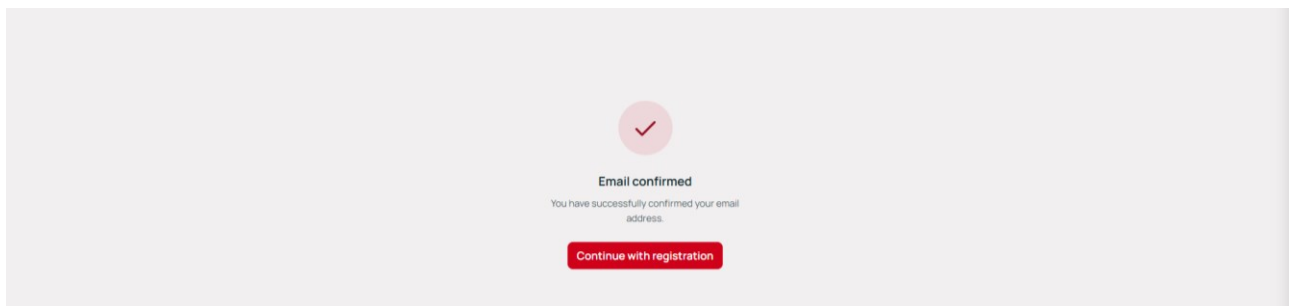

You will be required to confirm your email:

The screenshot shows the "Confirm your email" page. It has a heading "Confirm your email" and a subheading "Before you continue, we need to make sure your email address is valid." On the left, there's a progress bar with five steps: "Create an account" (completed), "Confirm your email" (current step), "Participation type", "Complete your profile", and "Plan your schedule". On the right, there's a green envelope icon and the text "Confirmation link sent". Below this, it says "Press the link you received to confirm that @libero.it is your valid email address." and "If you didn't receive an email within a few minutes, please check your spam folder." At the bottom, it says "Didn't receive an email? Resend confirmation link".

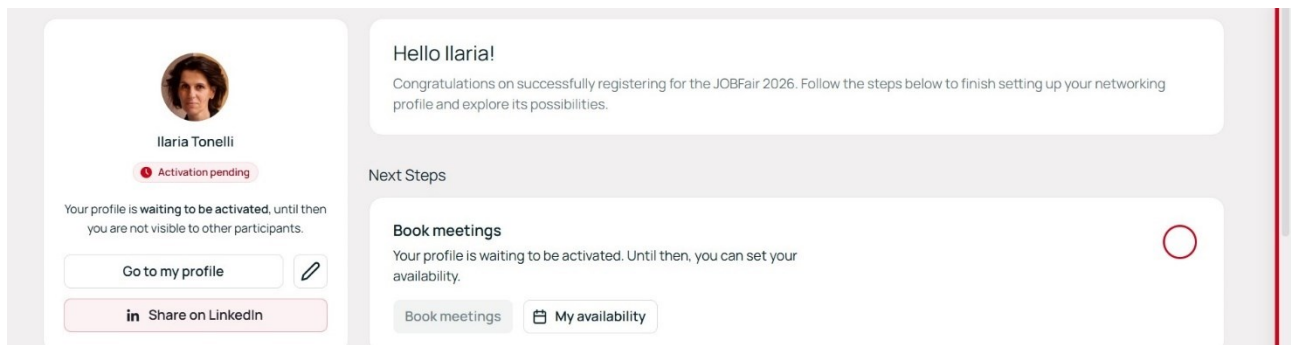

You will receive an email to verify your email account:

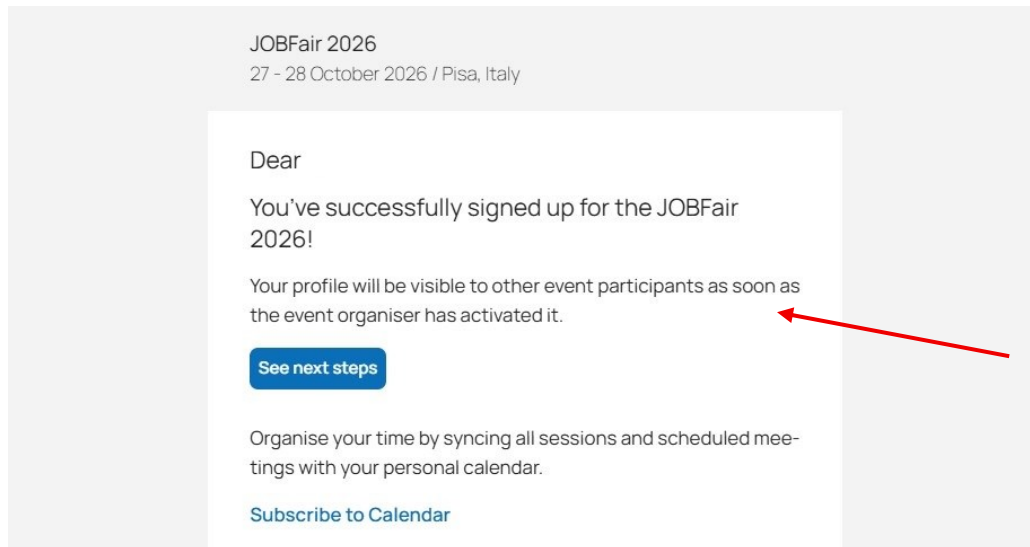

Once you have confirmed your email, you will be able to continue registering:

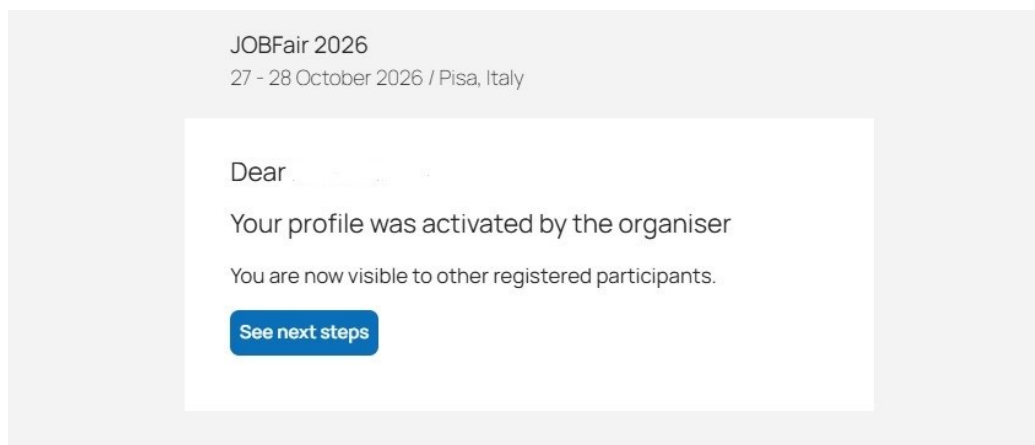

DO NOT forget to
select your
University/support
office!

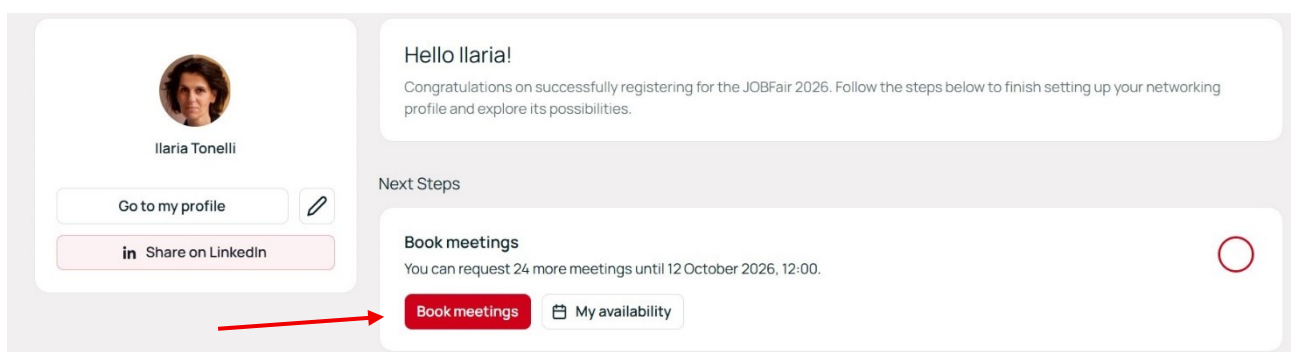

You have now completed the registration process, but you won't be able to contact companies and request interviews until your Support Office validates your profile:

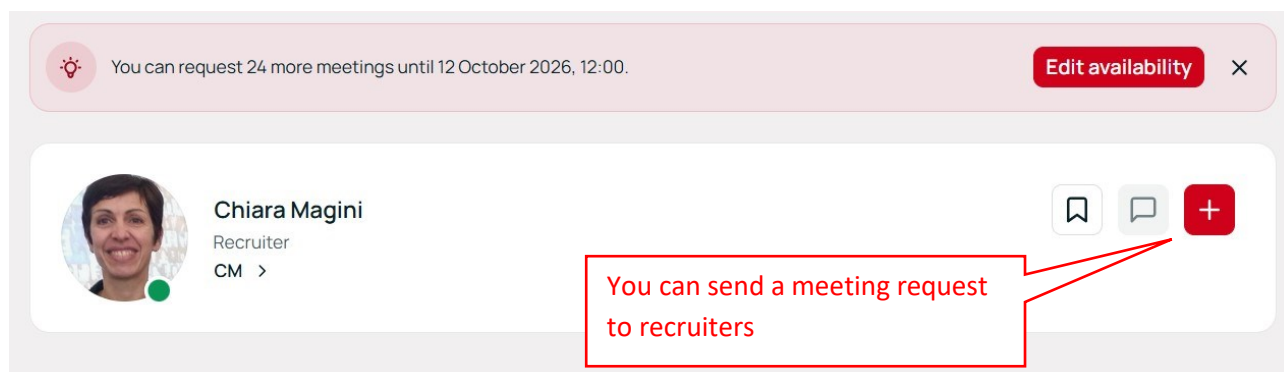

You will receive a confirmation email once your Support Office validates your registration:

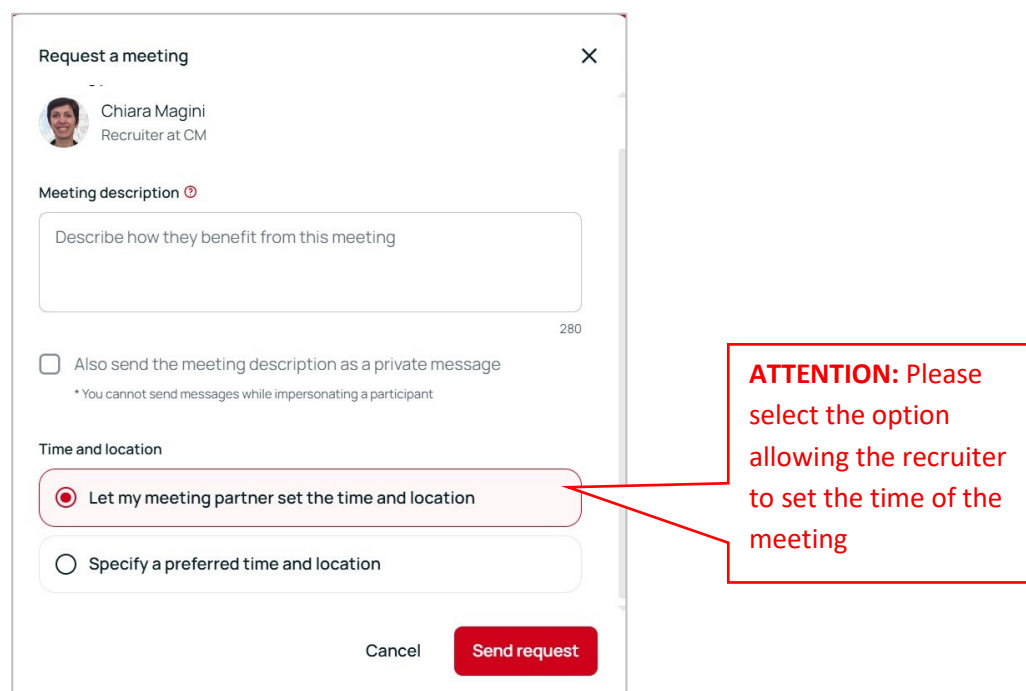

Then, you will be able to see the profiles of the participating companies and request meetings:

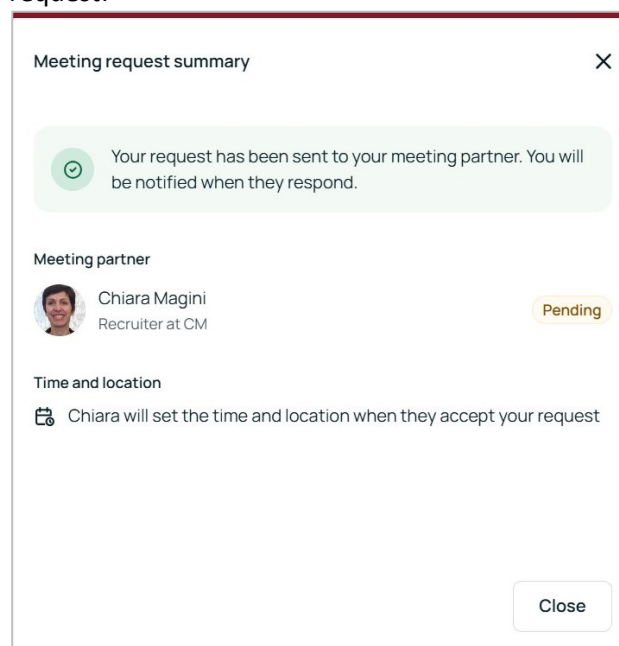

You will be able to send messages to selected recruiters and send your request:

Make sure you **always** select the option that allows the recruiter to set the time of the meeting:

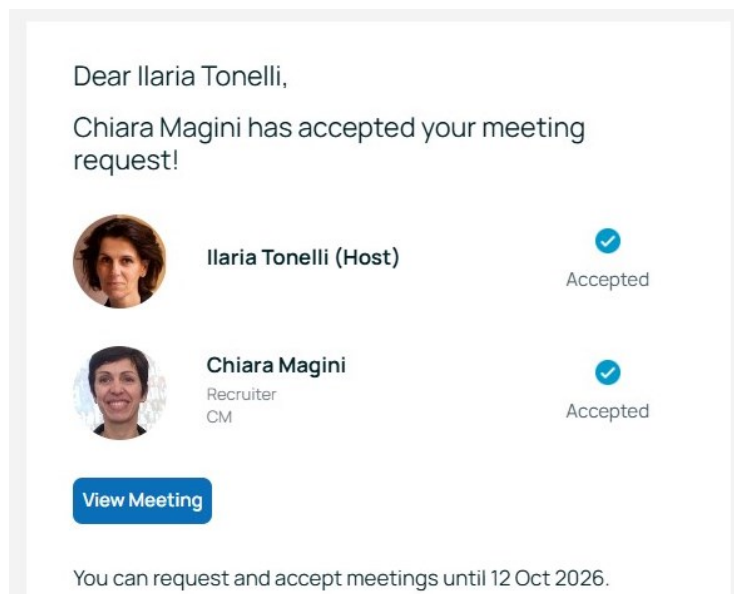

Contacted recruiters will receive an alert message, view your CV, and accept or decline your meeting request:

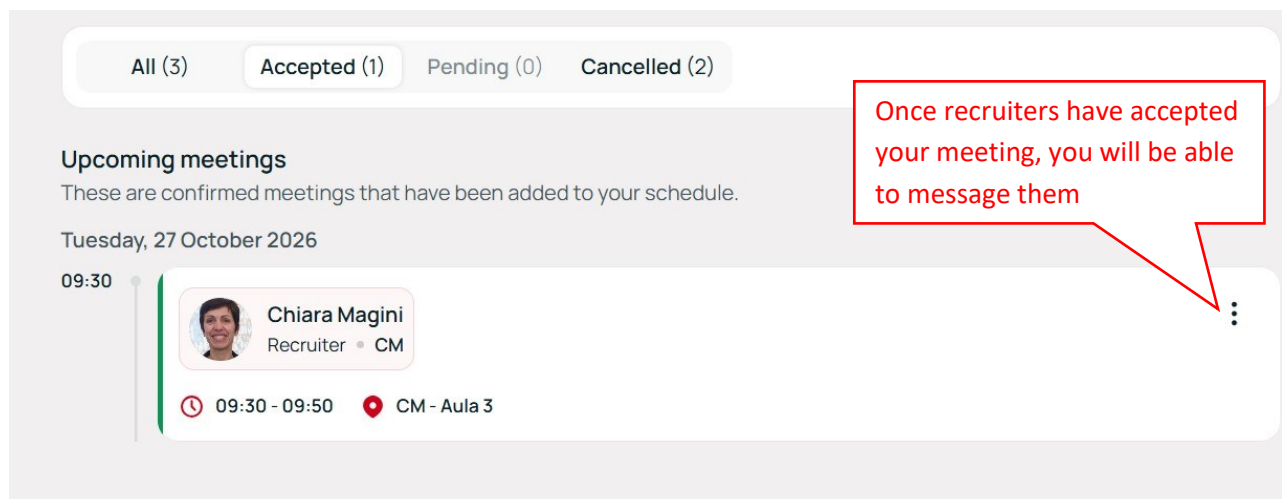

ATTENTION: Some companies may have more than one recruiter attending JOBFair!

If different recruiters from the same company offer the same opportunities, please request a meeting **only with one of them.**

You will be notified once a recruiter has accepted your meeting request:

If accepted, you will receive a notification by email and find the appointment in your agenda. You will be able to check your meetings (accepted/pending/canceled) at any time:

All one-to-one meetings will take place ON-SITE at Scuola Superiore Sant'Anna, Piazza Martiri della Libertà 33, on **Tuesday, October 27 and **Wednesday, October 28**.**

The list of participating companies is available [on the following page](#).
